National Child Passenger Safety Week September, 18th to September, 24th

The Chittenden / Franklin County SHARP Program, the Vermont Department of Health, and the Vermont Office of Highway Safety, in celebration of National Child Passenger Safety Week we are inviting you to come join us and honor our own Vermont Child Passenger Safety Technicians. We will be giving out 11 awards this year.

We will be hosting the 2021-2022 CPS Awards, Friday, September 23rd at the Chittenden Co. Sheriff's Department. The event will start at 11am. We are located 70 Ethan Allen Lane, South Burlington, VT.

-
As part of our celebration, we will be running a **Safety Seat Check Event, from 11:30 to 13:30 at the Kid Logic Learning Daycare at 72 Ethan Allen Drive South Burlington, Vt. Right next door to the Sheriff's Office.**

This event is to honor our technicians that work year-round to raise the awareness of parents and caregivers about the dangers children face when they are riding in a vehicle. To become a Child Passenger Safety Technician, they have to go through a week long National Certification training and keep up on new technology each year.

“Child passenger safety seats are designed to protect our youngest passengers in the event of a crash, but these seats cannot work as designed when they are not installed correctly,” said Sid Bradley, Coordinator of the Vermont Child Passenger Safety Program.

Lt. Allen Fortin, leader of the Chittenden / Franklin County SHARP Group, said “We want to ensure that all children who are under eight years of age are riding in a correctly-installed

safety seat that is appropriate for their age and size.”

For the Car Seat Check event, appointments are not required, but if you would like to schedule an appointment for the event, please contact Sid Bradley at 802-734-0510 or the Chittenden County Sheriff’s Office 802-863-4341

Ps. If you can’t make this event you can find other Car Seat events and other helpful car seat and booster seat information by going to beseatsmart.org .
