Discussion

1. Crash Reconstruction Presentation

- Lt. Scott presented the history and current practice of crash reconstruction for the Vermont State Police.
- Crashes are mapped via total stations
- Software calculates speed and trajectories of vehicles based on physical evidence collected from the crash scene.
- VSP has roughly a team of 15 individuals that provide these services across the state.
- VSP conduct about 50-60 crash reconstructions per year.

2. Member Updates

- Nancy Avery has taken a new position with the Construction Section.
- The Local Roads program (LTAP) will be transitioning to VTrans in the Spring of 2015. David Antone will stay involved with the Infrastructure group as long as possible

3. Performance Measure Update

- Bruce gave the status of what progress has been made on the SHSP Action plans to date.
- The action plan status will be updated quarterly.
- The SHSP is a living document as such additional action plans can be added periodically. Please be thinking about new programs or actions that can be initialized to further our safety efforts.

4. Safety Calendar

- South Windsor/ Windham Regional Safety Forum - May 12 Bellows Falls
 - Finalizing Agendas and speakers
 - Erik Wells, Local Roads is assisting with the registration
- Vermont Municipal Highway Association May 14
- Northeast Transportation Safety Conference, Providence RI, September 3,4
