Kick-off for holiday Click it or Ticket next Wed. in Rutland

Update on fatals, which has gone up by two this week.

VHB led discussion on CEAs/Strategies/Action Items for the SHSP rewrite:

CEA 1

CEA 2

Making parents more accountable, perhaps by having them get a hit on their insurance
LE have more input into Drivers ED
GHSP have county teams of LE under contract to go into Driver's Ed programs
Action item—mock crash at the schools

CEA 3

Targeting specific intersections through data

CEA 4

Click it or Ticket

Primary Seat Belt Law

Would like to not have to give violation for the primary reason for pulling them over when the violation is written for seat belt violation. Be able to just give written warning. Don't want to hammer people with multiple violations when the intent is the seat belt violation

Change in citation form to be able to deal with multiple violations.

Bring judicial system on so everyone is operating on the same page.

CEA 5
Reducing Impaired driving
Update and Redo PSAs

CEA 6 Speeding
Set correct speed limits and then enforce

CEA 7 Keeping Drivers Alert
