## VDTSEA Dues

All driver educators must strive for a high degree of professionalism. One area of professionalism is an educator's participation and support of professional organizations including the payment of dues. This membership dues structure asks each driver educator in Vermont to support driver education to the best of his or her ability.

**VDTSEA - ADTSEA Membership** **\$105.00**

This package is designed to encourage driver educators to join both VDTSEA and ADTSEA. Fifty dollars will be sent to ADTSEA. Members paying this amount will receive discounts on conference fees and some workshops plus all ADTSEA privileges.

**VDTSEA MEMBERSHIP** **\$55.00**

All driver educators should consider paying this amount. Members paying this amount will receive discounts on conference fees and some workshops.

**INTRODUCTORY MEMBERSHIP (For First Time Members)** **\$25.00**

**RETIRED MEMBERSHIP** **NO CHARGE**

Fully Retired driver educators (not receiving driver education income) who have been VDTSEA members receive free membership. Members will receive discounts on conference fees.

**INVITED MEMBERSHIP** **NO CHARGE**

This membership is for others also interested and involved in Driver and Traffic Safety Education. Conference fees could also be waived.

*Membership dues will be reviewed annually by the Board of Directors and set by the membership at a regular or special meeting. Dues will be published with the Membership Form. Discounts for courses have been eliminated because the Higher Education Collaborative now determines course costs.*
